Rookie Rockstars came back to our school on Tuesday night for the concert. Thank you so much to everybody who came and made this event such a success. I was so proud of all of our children who sang and danced so well. This was a great way to share some of our key HWB messages. Photos will go on the Blog soon.

Our Expressive Arts afternoon was a huge success and we would like to thank all parents who came along to support us. The children loved sharing their work with their parents.

Our sharing assembly on Thursday was also a success. These assemblies are really important as they allow the children to share the important messages they are learning throughout the 'Building resilience program' which is the 'core resource' we use for our social and emotional curriculum.

Our family fitness session on Friday morning was a triumph and parents left exhausted but very proud of themselves! Thank you to @studio44 for your support with this and to our excellent fitness group for leading this. The 'tug o' war' was the highlight of this session.

	<p>Yet again some of our P6/7 children have visited West Lothian College to use their fitness suite. This is a very challenging experience for them and we are very proud of them for their ongoing commitment to this.</p>  <p>Our P7 class also visited the High School as part of their Science project this week. We want to thank JY staff for supporting us. This really enhanced our Science curriculum and our transition project for the session.</p>
