Louise Corson
Michele Elder
Jazmine Kelly
Brenda Kelly
Amanda Morrison
Mrs Wood – Education Officer

Apologies

Kayleigh Greig
Louise Corson
Barney Todd
Kathryn French
Billy Hood
Jackie Spencer

1. Review of Previous Minutes

Minutes had been distributed and it was noted that the Nursery did not require any funding from the Parent Council for the Zoo Lab as they were able to successfully raise the funds themselves from their Welly Walk.

2. Head Teacher's Report

As Mrs French is off sick and Barney was away on jury duty he had provided a report for the Parent Council and Neil distributed this accordingly and there was nothing to note. As Mrs Wood the Education Officer was in place we brought up the issue around the school meals which was brought up at the last meeting and she would take this forward to see what has happened regarding this.

3. Correspondence

There was no new correspondence and Amanda had reported back to the Digital Ambassadors to price and source their t-shirts as an enterprise and we were waiting to hear back on this.

4. Feedback from A Night at the Oscars & Easter Fair

A massive thank you again to Lorrain and Neil for the set up and the teachers for the prizes and games a success all around and it was decided the possibility of running future events over 2 nights to allow a longer time for each sitting and to also involve the nursery children during the day if the equipment was still set up. A review on the parents coming in at the community wing but overall it was much better than Halloween event. The next event we would put child name and number of tickets to assist with the register and keeping track of the kids.

For the Easter Fair a bouncy castle has been booked for £85 for 4 hours. It was decided that asking an outside company the castle will be fully insured. Neil was going to ask if it could be dropped off on the Friday. Possibly looking to charge £2 a shot.

10 stalls are booked and nearly all paid up.

A request to be put out for parent helpers on the day and also for additional raffle prizes. There will be a chocolate tombola, Nerf shoot out, glitter tattoos, lucky dip and an Easter craft table with colouring posters on.

A minimum of 3 people in the kitchen.

Lorraine would try and get a meet up away from the Council to discuss further.

5. AOCB

P7 leaver's hoodies was agreed and Mrs Wood confirmed that if they were purchased now the P7s could wear them now as long as there was no misuse of them.

AGM

It was agreed to hold it during June with the potential dates of 04 or 18 June 2019 to confirm with Kathryn French and Barney Todd too. We would also put the invite to nursery parents who will be starting P1.

Neil to attend the Parent Council Recruitment meeting on 21 March 2019.

Sharing in Confidence course had been cancelled due to only receiving of 3 consent forms back at school.

Date of next meeting – 23 April 2019
