<p>Weekly news update</p>	<p>Welcome back to a very busy term! I hope that you had a lovely festive break and that you are all coping with the dark / cold/wet mornings! Roll on the Spring!</p> <p>There will be a letter issued today regarding dates for this term. We do, however, urge you to regularly check the school website as we do have all dates on there and this will also inform you of any changes to events. Or, any new ones added. It is a busy school and events can change last minute.</p> <p>https://dedridgeprimary.westlothian.org.uk/</p> <p>In the event of school closing due to 'snow' days you will be informed of this via groupcall. This information will be given as soon as possible. Information is then shared with you as we know</p>

	<p>it and we try and get information out as quickly as possible. This is always via groupcall initially although we would try and keep the website updated also. Should you need activities for your child information from each class is provided and 'snow day' activities are given. These are provided by the class teacher. However, feel free just to allow your child to play and enjoy the snow!! Hopefully this will not happen and it is certainly a last resort for schools to be closed. It remains your choice whether you consider it to be safe for your child to be in school on days where the school is open but it may be very icy etc. Unfortunately, we do not have any responsibility for the paths around the school.</p> <p>The children have all returned to nursery / school with smiles on their faces and have settled into the new term well. We look forward to sharing all of their successes with you over the next term. Please advertise this weekly update to parents that perhaps are not receiving it and ask them to contact the school as it may be the case that we do not have a recent E mail address for them.</p>
