<p>Weekly news update</p>	<p>This week has been a very settled week in school and the children have all enjoyed getting back to their everyday routines in learning and teaching.</p> <p>Primary 7 pupils have enjoyed 2 outings this week – one to the community centre to engage in some writing outside of the school building and one to Amazon. The children thoroughly enjoyed their trip to Amazon and are thrilled with the new addition to their class – Marty!</p> <p>We also enjoyed a visit from our school chaplain – Darren Phillips. He helped the children reflect on respect and what that means in society today. We learned a great deal from Darren and this will help us as we continue to work on our #choose respect campaign.</p> <p>Thank you to all the parents who attended our family Friday. This was a lovely event with lots of activities / games. My favourite was the table dedicated to ‘what makes us different’ and the idea of celebrating what makes us different. This is a lovely idea and one we will continue to work on over the next few months.</p>
