<p>Weekly news update</p>	<p>Firstly, apologies for the lack of newsletter last week. The end of the week was very busy and this job got lost amongst the large 'to do' list I had!</p> <p>This week we have started a new partnership with 'Urban Nature' and we are very excited to see where this new venture will take us! We are hoping to be able to allow pupils to visit Urban Nature and maybe even bring a farm back here – watch this space!</p> <p>We have also continued our partnership with West Lothian College with children visiting the gym again this week. Children from 'In the</p>

	<p>woods' are also about to start visiting so this is very exciting!</p> <p>Primary 7 pupils found themselves on a visit to court this week – luckily just to find out about it. They decided that they would go into the Civic Centre to ask about a visit and were allowed in there and then. It will be great to watch how this 'local area' project progresses in the future. Remember though – if you go for a cheeky McDonalds again – the rule is you bring Mrs French back a treat!</p> <p>Our Nursery held a lovely Big breakfast event on Wednesday and it was great to see so many parents / carers / grandparents there. The food was yummy too. We are looking forward to the afternoon tea to be held next week.</p>
