Cost of the School Day Support

West Lothian Councils school clothing grant, free school meals and milk applications are now open for the academic year 2024/2025.

Please take time to apply as there have been adjustments to the threshold amount you can earn so you may now be eligible for this support.

We would also encourage you to apply even if your child/children are in Primaries 1 to 5 as although they receive universal free school meals you may be missing out on the clothing grant and free milk.
